

WIFE HEIR TO MILLIONS

THROUGH DEATH OF HUSBAND
BEFORE SECURING DIVORCE.

DEATH OF GEO. H. MYERS

Deceased Sought Advice of San Antonio Lawyer for Quickest Way to Secure Divorce But Died—Still His Wife.

San Antonio, Tex., Feb. 3.—George H. Myers, who died at Yankton, S. D., yesterday with Standard Oil stock worth \$1,000,000 on his person, six months ago sought advice of Richard L. Watkins, an attorney of this city, as to the quickest way to get a divorce from the young wife he had married three years before. His wife is a trained nurse, and he fell in love with her while she was nursing him.

Myers' death, one week before the time required for him to live in South Dakota to get a divorce, means that his wife is heir to his millions, where as if he had lived long enough to get the divorce she would have got nothing. Mrs. Myers is now in California. She is a relative of Mrs. George M. White, proprietress of the New Maverick hotel, and is well known in San Antonio. Her marriage to Myers took place at New Orleans, which was his home.

The romantic circumstances are well remembered by many persons in San Antonio. Mrs. Myers was a Mrs. Dixon when she married the second time, and her maiden name was Clark.

Six months ago, Myers came to San Antonio. He was an elderly man and was afflicted with heart disease, which was the cause of his death. After he had been in the city a few days, he called on Richard L. Watkins, an attorney in the Alpha National Bank building.

"He asked me what was the quickest way to get a divorce," said Mr. Watkins, "and retained me to find

out. After making some inquiries, I devotedly advised him to go to South Dakota. He told me that he loved his wife devotedly, but that she had left him, and he felt it was his duty to free her from the marriage which was not happy, as soon as possible. He spoke in the highest terms of her, and said no blame was to be attached to her on account of their separation. I understood him to say he was ill at Yankton and she nursed him, and that he fell in love with her. They were married three years ago. After he reached Yankton he wrote to me, saying he was patiently serving his time. I knew he was a man of wealth, and he told me that he was a member of the New Orleans Board of Trade. For this reason I don't understand the dispatch from New Orleans which says he is not known there."

A Habit to be Encouraged.

The mother who has acquired the habit of keeping on hand a bottle of Chamberlain's Cough Remedy, saves a great amount of time and anxiety. Coughs, colds and croup, to which the children are susceptible are quickly cured by its use. It counteracts any tendency of a cold to result in pneumonia, and if given as soon as the first symptoms of croup appear, it will prevent the attack. This remedy contains nothing injurious and mothers give it to little ones with a feeling of perfect security. Sold by P. J. Ramsey, W. B. Frame, Ardmore Drug Co., Bonner & Bonner.

Plans for State Printing.

Guthrie, Okla., Feb. 3.—The convention committee on public printing has reported for constitutional adoption a provision authorizing a state printing plant, by which all state printing is to be done and from which public school textbooks are to be printed and furnished to the children at cost. The report also authorizes the election of a state printer by the people, who shall make quarterly reports to the printing board.

Chronic Constipation Cured.

One who suffers from chronic constipation is in danger of many serious ailments. Orin's Laxative Fruit Syrup cures chronic constipation as it adds digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it today and you will feel better at once. Orin's Laxative Fruit Syrup does not nauseate or grip and is very pleasant to take. Refuse substitutes. Hoffman Drug Co., and City Drug Store.

EXCITING DISCUSSION

EXPECTED THIS WEEK IN SENATE
OVER INDIAN BILL.

CURTIS IS CONSPICUOUS

Will Be an Able Advocate for the Indian in the Senate, Himself of Indian Descent and Thoroughly Acquainted With Laws.

Washington, Feb. 3.—The senate took up the Indian bill Saturday, but it considered none of these big controverted questions such as annihilation and the disposition of the surface of the mineral lands. Almost the instant opposition was manifested to any of the amendments the senate committee had put onto the bill, some time huddled up with a suggestion that "it be passed over," and in every instance the senate was agreeable. The attendance was too small for the disposition of such important matters, and besides the senate was in no mood for the fierce fighting that is inevitable when these matters are taken up.

Mr. Curtis of Kansas was conspicuous in the discussion of the afternoon. Mr. Curtis is of Indian descent, thoroughly acquainted with all Indian Territory problems and has been a member of the senate less than a week. Because of his familiarity with these vexing problems that unwritten rule which prescribes that a new senator shall be seen and not heard has relaxed in a notable degree. Not only was he indulged, but encouraged; and even the austere and correct Mr. Hale nodded his head approvingly while the new member was speaking and several times graciously coached him in making points of order. It was noticeable, too, that Mr. Hale and Mr. Curtis were in accord in every instance.

Mr. Curtis scored a victory almost at the start off. He said the committee's amendment to give to clerks and deputy clerks, who are ex-officio recorders, 50 per cent of the fees collected "to complete their records," ought to be thrown out. He knew of one deputy who would this year collect \$18,000 in recording fees, and he thought 50 per cent of that amount more than he is entitled to.

Mr. Long suggested 25 per cent, but afterward this provision was made to read, on motion of Senator Clark of Wyoming, that these clerks shall retain for the purpose of completing their rolls only "a sufficient per cent of the fees collected at the point of sufficiency to be determined by the attorney general. This action, it is understood, will be bad news to a number of clerks and their deputies in the territory.

While all the other important amendments were passed over without action, the discussion suggested pointedly what is about to happen to them. Mr. Hale, for example, has hardly been restrained from making a point of order on the spot against that one which proposes to give the secretary of the interior authority to adjudicate all applications for enrollment pending on March 1. He intimated also that he would raise a point of order against the proposed amendment to authorize the city of McAlester to issue \$175,000 of bonds for school purposes. Mr. Curtis made a point of order against the provision authorizing the court of claims to pass on the claim of Chester Howe and Chancery E. Richardson against the Mississippi Choctaws.

The most significant action came when the amendment proposing to transfer from the freedmen to citizenship rolls those illegitimate children who have Indian blood from the side of either parent. Mr. Hale arose promptly and said that Mr. Lodge intended to make a point of order

RHEUMATISM WORSE FROM YEAR TO YEAR

The cause of Rheumatism is an excess of uric acid in the blood, brought on by indigestion, chronic constipation, weak kidneys and a general sluggish condition of the entire system. The refuse and waste matter of the body is not carried out as nature intends, but is left to ferment and sour and generate uric acid, which is absorbed into the blood. The first evidence of Rheumatism is usually little wandering pains in the muscles and joints, or a tender, sensitive place on the flesh. These are often so slight that nothing is thought of them and they pass away, but with each recurrence the trouble becomes more severe, and from slight wandering pains and excited nerves, Rheumatism grows to be a painful and almost constant trouble. The longer the poison remains in the blood, the firmer hold the trouble gets on the system. Each day the acid deposit is increasing and the disease grows worse from year to year. After awhile the joints become coated with a corrosive substance which seriously interferes with their working and movements and sometimes they become permanently stiff and useless. S. S. S. cures Rheumatism by going down into the blood and attacking the disease at its head. It neutralizes the poisons and acids and dissolves the salts and irritating deposits, making the blood stream pure, fresh and healthy. S. S. S. is made entirely of roots, herbs and barks, and is therefore a safe remedy. When the blood has been purified by S. S. S., the pains and aches pass away and the cure is permanent. Book on Rheumatism, and medical advice free.

THE ABOVE STATEMENT IS CORRECT.

E. V. GREEN, Cashier

This Bank has been in operation only five months

900 in recording fees, and he thought 50 per cent of that amount more than he is entitled to.

Mr. Long suggested 25 per cent, but afterward this provision was made to read, on motion of Senator Clark of Wyoming, that these clerks shall retain for the purpose of completing their rolls only "a sufficient per cent of the fees collected at the point of sufficiency to be determined by the attorney general. This action, it is understood, will be bad news to a number of clerks and their deputies in the territory.

While all the other important amendments were passed over without action, the discussion suggested pointedly what is about to happen to them. Mr. Hale, for example, has hardly been restrained from making a point of order on the spot against that one which proposes to give the secretary of the interior authority to adjudicate all applications for enrollment pending on March 1. He intimated also that he would raise a point of order against the proposed amendment to authorize the city of McAlester to issue \$175,000 of bonds for school purposes. Mr. Curtis made a point of order against the provision authorizing the court of claims to pass on the claim of Chester Howe and Chancery E. Richardson against the Mississippi Choctaws.

The most significant action came when the amendment proposing to transfer from the freedmen to citizenship rolls those illegitimate children who have Indian blood from the side of either parent. Mr. Hale arose promptly and said that Mr. Lodge intended to make a point of order

against it, but as the Massachusetts senator was not present he asked that the amendment go over. Mr. Long, though foremost in opposition to the proposed amendment, is eager to have the senate enlightened as to what its effect would be, and at once for that reason he urged that no point of order which would preclude debate be made until opportunity had been given for a full discussion.

Mr. Stone afterward remarked that he would make a point of order against it if no one else did. The amendment seems clearly vulnerable to a point of order and therefore the prospect is that this famous proposition will be thrown out.

Yesterday's discussion showed unmistakably that several provisions relating to Indian Territory will provoke an exciting debate next week.

Pirating Foley's Honey and Tar.
Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Hoffman Drug Co., and City Drug Store.

It is said of an Atchison man: "A man ugly as he is, should not go visiting."

Piles of people have Piles. Why suffer from piles when you can use DeWitt's Carbolic Witch Hazel Salve and get relief. Sold by Hoffman Drug Company.

"WHY"

do I take Cardui"? writes Mrs. Jelemma Mullins of Odessa, W. Va. "Because, after suffering for several years with female trouble, and trying different doctors and medicines without obtaining relief, I at last found, in Wine of Cardui, a golden medicine for all my ills, and can recommend it above all others for female complaints."

Cardui furnishes safe relief for backache, headache, periodical pains, irregular, painful or unhealthy catamenial flow, and all ailments from which sick women suffer. A perfect tonic for delicate women. A pure vegetable medicine for girls and women who are subject to the complaints peculiar to their sex. Has benefited over a million who used to suffer as you do.

At every drug store, in \$1.00 bottles.

WHOLESALE PRODUCE MARKET.	
(Quotations Furnished by the Empire Produce Company.)	
The wholesale produce market seems to be holding well on all classes of produce except and for this class a generally weaker tone prevails with prices showing a decline of 2 cents in the last few days.	
The chicken markets seem to be stronger for all classes of stuff except for roasters and on this branch of the poultry trade there is hardly ever demand. Turkeys are holding up well in price and in fairly good demand, with some call for geese. Ducks always find a ready sale with prices quoted at nominally steady figures.	
The following are the quotations: Fresh Eggs, per dozen	.18c
Butter, average country	.18c
Butter, Packing stock	.15c
Live Poultry.	
Spring chickens, per doz.	\$2.25
Hens, per pound	.75c
Roosters, each	10c
Tom turkeys, per pound	.85c
Hen turkeys, per pound	.85c
Small turkeys, per pound	.9c
Ducks, per pound	.7c
Geese, per pound	.6c
Cull poultry, half price.	

Hides.	
Green, salt cured, per pound	.34c
Green, per pound	.84c
Dry, per pound	.7 to 1.5c
Glue, per pound	.4c

Don't trade a mornel of love for a whole wagon load of garbage. Some of us have already done that to our sorrow.
